Pursuant to 37 CFR § 1.121(b)(1)(iii), a marked up copy of each paragraph amended below appears on the page immediately following each amendment.

Please delete the paragraph that begins on page 7, line 4 and ends on page 7, line 10 and insert the following paragraph therefor:

AI -- As can be seen, the principal advantages of these embodiments are that they allow a user to locate previously stored information. A user may more quickly identify information for which the user is searching and may access that information in an efficient manner. The embodiments may also allow the user to more effectively use features of a web browser. The embodiments may supplement the organizational aspects of bookmarks by allowing a user to search websites associated with the bookmarks. --
